## Congratulations – Winner of the “ITS Red Star Award”

Dear partner,

we are proud to announce to you that your hotel, Aparthotel Cap de Mar, has been selected as one of the best and most popular 100 hotels worldwide of our ITS programme.

The main criteria of the selection are based on ratings and recommendations in hotel rating portals as well as guest satisfaction levels.

We congratulate you on your achievement and are honoured to reward you with the “ITS Red Star Award”.

You will receive the certificate in November, since we officially announce the winners in our summer catalogues 2012.

We are looking forward to continuing our good cooperation.

Best regards,
